POSITION: 8

The New Jersey Department of Transportation (NJDOT) is seeking applications for candidates for the position of Engineer Trainee Transportation (ETT). Engineer Trainees are assigned a 40 - hour work week. Current starting salary is \$62,088 and \$64,482 after six months. Standard workweek is Monday through Friday, but some positions may require contractor hours. Work experience within many of the units will qualify as approved Design Experience for the issuance of a NJ PE License.

The Division of Capital Program Management (CPM) delivers a wide range of world - class transportation projects through the planning, design, and construction phases. It utilizes and continually improves systems designed to deliver projects on time and on budget. CPM takes pride in its highly skilled professional staff that deliver capital projects worth hundreds of millions of dollars each year. Staff are encouraged to take advantage of numerous professional development opportunities offered throughout the year, including regional and national conferences and in - house mentoring sessions. CPM staff have a wide range of responsibilities, from ensuring that project designs and construction plans comply with a diverse set of federal and state regulations and policies that focus on safety, the environment, property acquisition, utility relocations, and construction materials. Assessing and improving internal processes and information reporting and management systems are other core functions. Staff collaborate with subject matter experts throughout the department. CPM has a staff of about 1,300 men and women with offices located at the Headquarters Complex, Regional Offices, and at numerous temporary construction field offices throughout the State. They are assigned to seven divisions: Highway & Traffic Design, Traffic Engineering, Right of Way & Access Management, Capital Program Support, Project Management, Bridge Engineering and Infrastructure Management, and Construction Services & Materials.
