Job Description

The Office of Information Management, Services & Solutions seeks an Information Technology Specialist to join our team as an Automated Tester. In this role, you will be responsible for ensuring the quality and reliability of our software products by developing and executing automated test scripts.

Key Responsibilities:

- Create and maintain automated test scripts using industry-standard tools to validate our software applications' functionality, performance, and reliability.
- Collaborate with development and QA teams to execute comprehensive test plans and ensure coverage of all software features and functionalities.
- Analyze and interpret the results from automated tests to identify defects, performance issues, and areas for improvement.
- Work closely with developers to understand system requirements and design, providing feedback and recommendations for improvements based on testing outcomes.
- Continuously improve and optimize automated testing frameworks and tools to increase testing efficiency and effectiveness.
- Maintain detailed documentation of testing procedures, results, and any issues encountered to facilitate effective communication and resolution.
- Keep up-to-date with the latest trends and advancements in automated testing technologies and methodologies to ensure our testing practices are cutting-edge.
- Identify and resolve any challenges or issues related to automated testing processes and tools.

Qualifications:

- Proven experience in software testing with a focus on automation.
- Proficiency with automated testing tools such as Selenium, JUnit, TestNG, Playwright, or similar.
- Strong understanding of software development life cycles and testing methodologies.
- Excellent analytical skills with the ability to interpret complex data and troubleshoot issues.
- Strong communication skills for effective collaboration with cross-functional teams.
- Familiarity with programming languages such as Java, Python, or similar for test script development.
- Attention to detail and a commitment to delivering high-quality software solutions.
- *Preferred:* Experience with continuous integration/continuous deployment (CI/CD) pipelines.
- *Preferred:* Certification in software testing or quality assurance.

Civil Service Commission Requirements (Education/Experience/Licenses)

EDUCATION: Graduation from an accredited college or university with an Associate's degree in Computer Science or Computer/Information Technology.

EXPERIENCE: One (1) year of experience in at least one of the following areas: the design and preparation of programs for electronic data processing utilizing current operating systems, modification of systems software and multiprogramming technology; or the development, maintenance, or installation of application programs; or in performing technical support functions within a direct access device environment, or the development, implementation, and maintenance of multi-network, multi-user Local Area Networks (LAN), Metropolitan Area Networks (MAN), and/or Wide Area Networks (WAN) environment.

NOTE: Technical support functions include experience in resolution of online production and/or communications network problems, and/or code modification, testing, and debugging of program modules in an online environment, and/or space allocation and control of direct access storage devices (DASD management).

NOTE: A Bachelor's or Master's degree in Computer Science may be substituted for one (1) year of indicated experience.

NOTE: A general Bachelor's degree from an accredited college or university may be substituted for the Associate's degree.

SPECIAL NOTE ON SUBSTITUTING EXPERIENCE FOR EDUCATION:

Experience in the study of work methods/processes, analysis of varied types of data, design and preparation of systems/programs, operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

NOTE: Evidence of formal training in Computer Science/Information Technology received at an accredited institution may be submitted with your application for evaluation by the Department of Personnel for possible credit. These training courses will be examined to see how they compare, both in hours/content, to college courses to which they equate, sixteen (16) training hours being equal to one (1) college credit. In house training courses will not be accepted as meeting this criterion; thus, they will not be evaluated.

SAME APPLICANTS: If you are applying under the NJ "SAME" program, your supporting documents (Schedule A or B letter), must be submitted along with your resume by the closing date indicated above. PERSONAL RELATIONSHIPS DISCLOSURE STATEMENT

In accordance with the Uniform Ethics Code adopted by the NJ State Ethics Commission and the State Policy Prohibiting Discrimination in the Workplace, the New Jersey Department of Labor and Workforce Development (NJ DOL) requires the disclosure of all relatives, consensual personal relationships, and cohabitants. No NJ DOL employee may supervise or exercise any authority with regard to personnel actions involving their relative, anyone with whom there is a consensual personal relationship, or anyone with whom they cohabit.

Relative means an individual’s spouse/domestic partner/civil union partner¹ or the individual or spouse’s/domestic partner’s/civil union partner’s parent, child, brother, sister, aunt, uncle, niece, nephew, cousin, grandparent, grandchild, son-in-law, daughter-in-law, stepparent, stepchild, stepbrother, stepsister, half-brother or half-sister, whether the relative is related to the individual or the individual’s spouse/domestic partner/civil union partner by blood, marriage or adoption.

Consensual personal relationship means marriage, engagement, dating or other ongoing romantic or sexual relationships.

Cohabitant means non-related persons who share a household under circumstances where there is financial interdependence.

The New Jersey Department of Labor and Workforce Development requires the disclosure of all relatives and consensual personal relationships to be promptly reported directly to the Division of Human Capital Strategies (HCS), Director’s Office. Confidentiality shall be maintained to the extent possible and practicable. This information may be shared with NJ DOL’s Equal Employment Opportunity Office and/or the NJ DOL Ethics Office as deemed necessary. Upon receiving notice of the relationship, HCS may address any situation as necessary in consultation with the EEO Office and/or the Ethics Officer. This may include, but is not limited to, the changing of reporting relationships or transferring any of the employees involved. Failure to provide notification to HCS may result in discipline up to and including termination and the denial of legal representation and indemnification by the State in the event that a lawsuit is filed having a connection with a personal relationship. Employees are under a continuing obligation to promptly report personal relationships that develop during the course of their employment.

I **DO NOT** have a relative or a consensual personal relationship, as defined above, with anyone working for the New Jersey Department of Labor and Workforce Development.

I **DO** have a relative or a consensual personal relationship, as defined above, with anyone working for the New Jersey Department of Labor and Workforce Development identified as follows:
