

Department of Environmental Protection Notice of Vacancy

Filling of this position is contingent upon further approval process

Title: Research Scientist 3

Posting Number: WRM-2023-35

Open to: General Public

Workweek: NL (35-hour) Workweek

Salary: (P25) \$69,579.06 — \$98,899.62

Opening Date: March 20, 2023

Closing Date: April 10, 2023

Existing Vacancies: One (1)

Program/Location: Department of Environmental Protection
Water Resource Management
Trenton, NJ

Scope of Eligibility: Open to applicants who meet the requirements below.

Description: Under the direction of a Research Scientist 1 or other supervisory official in a state department, institution, or agency, conducts or participates in research projects or developed programs in a specified professional field; does other related work.

Specific to the Position: Designs, coordinates, and implements specialized research and/or analysis of technical documents submitted by public water systems, such as pipe scale analysis, to evaluate corrosion control treatment (CCT) required under the Lead and Copper Rule. Specifically, this position will possess an in depth understanding of lead and copper release and corrosion that may be experienced by water systems. This includes seasonal supply changes, water quality characteristics, interactions of metals present in the distribution system, and the effect of past water treatment that all have potential to impact the efficacy of the proposed treatment. In this capacity, will verify the determinations of other technical staff in approving CCT and setting optimal water quality parameters.

Requirements

Education: Graduation from an accredited college or university with a Master's degree in a discipline appropriate to the position.

NOTE: All U.S. degrees and transcripts must be from an accredited college or university. All foreign degrees and transcripts must be evaluated for accreditation by a recognized evaluation service by the closing date of this posting. Failure to provide documentation may result in ineligibility.

Experience: Two (2) years of experience in a field appropriate to the position.

NOTE: A Doctorate in a discipline appropriate to the position may be substituted for two (2) years of the experience indicated above.

License: Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

Residency: All persons newly hired on or after September 1, 2011 have one year from the date of employment to establish, and then maintain principal residence in the State of New Jersey subject to the provisions of N.J.S.A. 52:14-7 (L.2011, Chapter 70), also known as the "New Jersey First Act".

Authorization to Work: Selected candidates must be authorized to work in the United States per the Department of Homeland Security, United States Citizenship, and Immigration Services regulations. **Note:** The State of New Jersey does not provide sponsorship for citizenship to the United States.

Note: All State employees who are vaccinated for COVID-19 are required to submit proof of vaccination. Instructions will be provided if a firm offer of employment results from this NOV.

Veteran's Preference: To qualify for New Jersey Veteran's Preference/status, you must establish Veteran's Preference through the Department of Military and Veterans' Affairs. Please submit proof of your Veteran's Preference along with your resume as indicated below. For more information, please visit <https://nj.gov/military/veterans/services/civil-service/preference/>

Submit Letter of Interest, Resume, Unofficial Transcripts (if college degree is required), and the Personal Relationship Disclosure Statement by 4:00 p.m. on the closing date to:
