The Office of Information Technology (OIT) currently offers a hybrid work schedule, and this position may qualify for up to 2 days of remote work outside of OIT buildings. This program does not supersede the "New Jersey First Act", which requires newly hired OIT employees to establish, and then maintain, principal residence in the State of New Jersey.

SPECIFIC TO THE POSITION: Data Warehouse (DW) Extract Transform, and Load (ETL) Developer is responsible for developing data integration solutions using Structured Query Language (SQL) and the IBM Infosphere Information Server Suite. This includes design, development, testing, deployment, and support of ETL routines in a large enterprise environment representing more than two dozen subject areas supporting over three thousand report users within State Agencies. The DW ETL Developer works with one or more project teams and may have responsibility for meeting deadlines for multiple overlapping assignments. The DW ETL Developer shares in the responsibility with the other members of the project team for the quality of the data integrated and published by these solutions. Data Warehouse (DW) Extract Transform, and Load (ETL) Developer is responsible for developing data integration solutions using Structured Query Language (SQL) and the IBM Infosphere Information Server Suite, Primarily Datastage.

DESCRIPTION OF POSITION: Under the close supervision and monitoring of a supervisory official in the Office of Information Technology, performs routine analysis, maintenance, programming, and support work on modules of existing systems; may develop web applications or websites; does other related duties as required.

REQUIREMENTS:

EDUCATION: Graduation from an accredited college or university with a Bachelor's degree.

EXPERIENCE: One (1) year of programming, systems analysis or computer analysis experience.

NOTE: Applicants who do not possess the required education may substitute additional experience as indicated above on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

NOTE: A Master's degree in an Information Technology field may be substituted for one (1) year of the indicated experience.

LICENSE: Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

FOR NON-U.S. CITIZENS AND/OR FOREIGN DEGREES

AUTHORIZATION TO WORK: U.S. Citizenship is not required. Selected candidate must be authorized to work in the U.S. according to Department of Homeland Security, U.S. Citizenship and Immigration Services regulations.

Note on Degree Information: You must provide a transcript(s) or evaluation of your degree(s). Foreign degree evaluation must be evaluated by a recognized evaluation service and include your course - by – course evaluation. Candidates will NOT be considered for the position if they fail to provide all requested documents upon initial submittal or fail to follow instructions when submitting electronically.

Current State employees: Any appointments made that involve movement may result in a forfeiture of rights to any promotional lists in their former unit.

RESIDENCY REQUIREMENTS: In accordance with the New Jersey First Act, [N.J.S.A. 52:14-7 \(L. 2011, Chapter 70\)](#), effective September 1, 2011 all employees must reside in the State of New Jersey unless exempted under the law. If you do not live in New Jersey, you have one year after you begin employment to relocate your residence to New Jersey. Employees who fail to meet the residency requirements or obtain an exemption will be removed from employment.
