

VACANCY ANNOUNCEMENT

The Department of Health received a Civil Service Commission decision on August 26, 2020 approving interim appointments for Unclassified Service positions within the Department of Health for an interim Public Health Recovery Division, Epidemiology and Laboratory Capacity Enhancing Detection. This interim division is currently established and is expected to remain operational until December 30, 2025.

Title Public Health Representative 3, Bilingual In Spanish and English [Unclassified]			Salary P18 \$50,737.29 - \$71,553.48
Posting Number E159-23	Position Number 962025	Number of Positions 1	Posting Period * From: 03/16/2023 To: 03/30/2023
Location: Division of Epidemiology, Environmental and Occupational Health Communicable Disease Service 135 E. State Street, 2nd Floor, Trenton, NJ 08625		Scope of Eligibility/Open to: Applicants who Meet the Requirements	
GENERAL DESCRIPTION			
<p>Under direction of the Communicable Disease Service, and as part of a statewide rapid response team, assists local health departments with investigation and contact tracing activities in response to COVID-19 and other infectious diseases in hotspot areas. Establishes, and maintains cooperative working relationships with county/local health department personnel involved in COVID-19 investigation and contact tracing. Assists local health department to provide training to temporary contract tracers. Collects COVID-19 and other infectious disease investigation and contact tracing data, enters it into appropriate data management system, and ensures data quality. Confers with physicians, patients, disease contacts, social workers, and others when preparing case and contact investigations, summary reports, and other data supporting diagnostic or reported vital statistics information. Conducts investigation of reports with incomplete reporting techniques, and maintains liaison with healthcare facilities, providers, schools, local health departments, and other cooperating agencies. Gives talks to interested groups and/or instructions to improve reporting techniques, accuracy of reports, and to increase knowledge and compliance with COVID-19 investigation and contact tracing. In conjunction with local health department staff, visits patients or contacts at home, at work, at health care facilities, or other locations to implement contact tracing and public health control actions.</p> <p>SPECIAL SKILL: Applicants must be able to read, write, speak, understand, or communicate in Spanish and English sufficiently to perform the duties of this position.</p>			
REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)			
<p>EDUCATION: Graduation from an accredited college or university with a Bachelor's degree.</p> <p>EXPERIENCE: One (1) year of experience in a health or social service related program which shall have included responsibilities for interviewing, investigating, and/or conducting public health care surveys or patient care services.</p> <p>NOTE: Applicants who do not possess the required education may substitute experience as indicated on a year-for-year basis.</p> <p>LICENSE: Appointee will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.</p>
