

Supervising Auditor- Audit Division
New Jersey Office of the State Comptroller
Unclassified Supervising Auditor
Salary Range: S28 - \$79,848.66-\$113,789.94

About the Office:

The Office of the State Comptroller (OSC) is an independent State agency that oversees the Executive Branch of state government. Our mission is to make government in New Jersey more efficient, transparent, and accountable. Our office audits and investigates; municipalities, school districts, counties, state colleges and universities, independent state authorities, and state agencies. We also oversee government expenditures, review public contracts, and evaluate local and state programs. We detect and uncover fraud, waste, and abuse by sharing our findings through public reports.

About the Division:

OSC's Audit Division audits the performance of public entities in New Jersey and publishes findings and recommendations. The Division audits local governments; including municipalities, school districts, counties, state colleges and universities, state agencies, and independent state authorities. The audits evaluate whether entities receiving public tax dollars are operating efficiently and in the best interest of all taxpayers. The auditors look for proper internal controls to make sure there are checks and balances in place to prevent waste, fraud, and abuse of taxpayer dollars.

About the Role:

The Audit Unit seeks a motivated and committed professional for the role of Supervising Auditor. This individual will be responsible for performing audits and evaluations of agency programs to ensure taxpayer funds are spent efficiently. In addition, they will conduct intensive investigations and prepare detailed recommendations relating to best practices and programmatic compliance with statutes, regulations, and policies. **Travel required.**

Responsibilities:

- Under the direction of Division management; assign work and supervise the audit team in the completion of all aspects of the audit engagement from planning through report issuance. Through collaboration with Division management; provide guidance and leadership to the audit team in the risk assessment, the development of audit plans and audit programs, the preparation of the work papers, as well as the report preparation.
- Oversee all aspects of the audit engagement and the performance of the audit team to ensure that the audit fieldwork is pursuant to Generally Accepted Government Auditing Standards (GAGAS) and OSC policy.
- Monitor the ongoing progress of the audit staff during field work; including the identification of control weaknesses and offer appropriate recommendations to address those weaknesses within established deadlines.
- Conduct timely reviews of the assigned audit team's work papers and prepare draft audit reports in compliance with GAGAS and OSC policy as evidenced by good Quality Control results, and strong performance with standards and other related metrics, including time budgets and project deadlines.
- Develop action plans for staff development to ensure effective and efficient audit methodology, work papers that meet GAGAS and OSC standards, and audit reports that identify areas for greater effectiveness, efficiencies, and economical operations.

- Ability to multitask with a demonstrated sense of urgency in completing work on time within budget constraints with a high level of quality.
- Prepare and participate in the development and delivery of formal training programs and provide on the job professional development for audit staff.

Requirements:

- A Bachelor's Degree in Accounting or related field with a minimum of 21 accounting credits.
- A minimum of four years of professional auditing experience, one year of which shall have been in a supervisory capacity.

The ideal candidate will have the following skills and experience:

- Knowledge of and experience conducting performance audits in accordance with GAGAS preferred.
- Excellent written and verbal communication skills.
- Proficient with Windows XP, Microsoft Office (Word, Excel, Access, PowerPoint), Microsoft Outlook
- Experience with automated work paper software preferred, but not required.
- CPA, CIA, CFE or other similar certification preferred, but not required.
- Working knowledge of State government, municipal government or school district financial statements and operations, preferred but not required.
- Experience with financial audits involving government entities preferred, but not required.

Interested candidates should submit a cover letter, resume and three references to:
